★ CRACK THE CODE

Crack the code of personality to create game-changing transformation.

ACCEPT | ARTICULATE | APPLYSM

We integrate StrengthsFinder, Myers Briggs and the Enneagram to generate an internal lens shift from reaction to response, criticism to compassion.

★ ZONES OF GENIUS

Performance reviews got you down? Suffering from "Promotion Demotion"? Drained by staff dysfunction?

ALIGN | SHINE

Improve productivity, retention, morale, and efficiency with tools to motivate and lead diverse personalities.

Parillum

The power of personality.™

LISA FOSTER

Harness the Power of Personality to Transform Your Teams, Life & Bottom Line.

Lisa Foster, Strengths and Personality Expert, Consultant, and Coach

Looking for an engaging speaker at your next event who gets the DNA of dynamic professionals? Professionals on the hunt for efficient, effective and fun tools to up-level their results and relationships?

Lisa Foster's keynotes, workshops, and trainings help creative, risk-taking leaders and their teams apply the power of strengths and personality to create practical, transformational strategies that improve engagement, communication, and outcomes.

Warning: Presentations may contain song, dance and/or fake foreign accents.
