

Looking for a unique, entertaining, and impactful speaker?
Parillume helps teams shine. We're the leadership development company revolutionizing business by empowering the individual to hack kryptonite and harness superpowers.

Transformational Leadership *disguised as a* One-Woman Show

Crack the Code: Sales

When your sales team learns to read the Core Motivations of their clients, they can create trust, overcome resistance, and sell. Learn what it takes to close with any personality type.

Crack the Code: Customer Service

Customers need to be seen, heard and validated. Learn a step-by-step recipe for active communication: Read and address your customers' unspoken pain points and convert them from critics to raving fans!

Meh to Motivated: Team Engagement

Are you projectile motivating? Inspiring your team with what inspires you? Explore boots-on-the-ground techniques to recognize and leverage what gets the 9 personality types out of bed in the morning!

Drama-Proof: Conflict to Collaboration

Connect the dots between what disempowers you and what disempowers the person you are in conflict with. Walk away with simple tools to resolve the issues on your team and create win-win solutions.

Forget Perfect, Be Real: Authentic Leadership

Discover a road map that guides you away from the pursuit of perfection and towards the courageous expression of your unique superpowers as a leader.

A customized, interactive, and PowerPoint-free keynote, workshop or breakout creates actionable take-aways for your audience to connect ... to each other and to themselves:

Part 1: Enneagram Tour

In this playful, poignant, and customized tour, Lisa acts out the motivations, kryptonite and superpowers of the 9 Enneagram types - revealing a new lens for us to see ourselves and others with clarity and compassion.

Part 2: Hack Kryptonite

"Hack that Kryptonite!" games and exercises empower the audience to mitigate the kryptonite that leads to challenges and conflict on their teams and in their lives.

Part 3: Harness Superpowers

Powerful storytelling and interactive brainstorming shine a light on participants' real-life challenges, and reveal how to turn personality *information* into game-changing *transformation*.

Warning

Presentations may contain personality channeling, fake foreign accents, and the occasional show tune.

Average audience feedback score: 4.7 / 5

Whenever I see Lisa speak not only do I laugh my butt off, I walk away with a changed perspective and concrete tools to put this change into practice. I can't recommend her enough. Entertaining and tuned in to her specific audience, Lisa delivers content that's immediately applicable at a level that is unique and rare to find. - Grace Estripeaut, Senior Training Analyst, Sunrun

Lisa impressed every attendee when I hired her to speak for my organization of high-performing women in business. She presented high-quality information in an entertaining way so our participants could truly absorb it. I've hired about 30 speakers over the years and Lisa outperformed and outdelivered all of them! - Meghann Conter, Owner and CEO, The Dames
